I will deeply miss Fred's smirk that smile always said "let's have some fun". That smirk could make your day knowing Fred always wanted to make this world a better place. He had the best heart of anyone I knew. I wish the time I could spend with Fred could have been much longer and gotten know and to see him more. Love you Kathy

Kathy & Amber, My thoughts and prayers are with you and your family. Through out the years Fred kind of became a part of our family. I will always be thankful for the positive role models you were through my daughters teen years. She would always come home with a story and a smile because of the love you shared as a family. She felt like she belonged and I am sure Evanna carries so many good memories because of the time Fred and the two of you give her. We will miss him pulling in the drive with a big smile on his face. God Bless you during your time of grief. Love you,
