To the family... "Brother Serra", as he liked to be called here, was often at our family meals with my sister from Oregon, Millie Stegmeier. He was in our home on occasion. We always considered him "family" but we didn't worship together. We're both engineers ... so you can imagine our conversation. I will miss his presence, laughter and dry humor. I will miss not having his fellowship. Thank you for sharing him with us. May he rest in peace. Know that he was loved by many.
