God saw you getting tired and a cure was not to be. So he put his arms around you & whispered come with me. With tearful eyes we watched and saw you pass away. Although we love you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, he only takes the BEST. My prayers to you and your family.

To the King Family, My deepest sympathy on the loss of Louie. He & my dad worked together years ago (my dad was killed coming home from Broken Arrow in 1965). His name was Wayne Knicely. HE always spoke very highly of Louie & so did my cousin Loren. May your precious memories & God's love & compassion get you thru these dark days. In Christ's love, Carol Knicely Mikesell

Debbie, Randy, Jeff and family, we are saddened by the passing of Louie. Know that all of you are in our thoughts and prayers. Louie was always respected at the mine. We had our moments but that was what we did. It was a sad day for Simco when Louie left. He will be missed at the Friday morning breakfast. I think I can speak for the rest of the miners at Simco, Louie was the best Superintendent we had. God bless all of you. Simco LU 1188
