Bri and Jon, the service was beautiful and perfectly done for your angel. It saddened me to have to be a part of it but I wouldn't have had it any other way. I love you guys and the kids and I'm here anytime you need me.

Let the little children come to me! I can't say anything to ease your pain and suffering, but I pray that in time you will find peace. Lillian has a beautiful name and a beautiful home in Jesus' arms. Imagine your baby girl opening her eyes for the first time and seeing Jesus!

Little Snowdrop The world may never notice  
If a Snowdrop doesn't bloom, Or even pause to wonder  
If the petals fall too soon. But every life that ever forms,  
Or ever comes to be, Touches the world in  
some small way For all eternity. The little one we longed for  
Was swiftly here and gone. But the love  
that was then planted Is a light that still shines on. And though our arms are empty,  
Our hearts know what to do. For every beating of our hearts  
Says that we love you. By Author Unknown Even though  
we didnt get a chance to know the person Lillian was going to be she will live on in our hearts forever.  
I love you guys so much and you know Im here if you need anything.
