In the early 1960s, my brother, sister and I would visit our "cousins" in Ohio, Dale and Gale. Their father Leonard was the brother of our step-father Earl Modesitt. I can remember how much we all looked forward to visiting their farm and playing with them. They were the twins and they were so much fun to be around. It has been years since I saw them last and it's tragic that Dale and Gale are no longer with us. However, I will treasure the memories I have of my two cousins.
