As a friend and coworker I am so sadden by the passing of Tammy. She always helped everybody and offered great advice about how to help with our personal lifes. You know when you worked with Tammy as long as I did, its like losing a family member. I will miss her beautiful face saying good morning everyday. She was very special and loved by many. She spoke of her children and grandchildren with much pride. She loved going home to be with her grandchildren. I am so sorry.

We were so shocked and sadden by Tammy's sudden passing. I worked with her for several years and she was my friend. She had been to my home as well as my husband and I had been to her's. We liked to go shopping and have lunch or dinner. She was so proud of you two boys and her grandbabies. The Lord must of needed another ANGEL and as far as we are concerned he got a good one. God Bless Sandi and Gary Keffer
