I am so sorry to hear of your loss...Hali was one of my best friends and she and I shared so many memories and dreams together through out the years... I never forget meeting her at Wilson Middle School and then again at CSS she was such a beautiful, energetic, funny girl. She made the world a brighter place, and she was a loyal friend. I will miss her deeply so sad to find out she has passed. Life has a funny way of keeping you busy with stuff sad I haven't talked to her in a year been busy dealing with husband's cancer. I have often thought of her and tried to call but her number was changed I will miss her deeply hard to believe over the years how many times our paths have crossed that she is gone. I loved her with all my heart and I send my deepest sympathies to your family if you need anything please don't hesitate to call my number is 740-258-0328 with love April Anderson Ryen

Kam, Cindy, Jan, Brittany, and family; My heart is heavy with sorrow for your loss. I'm sure, though, that knowing where Hali was headed with her life and especially realizing her love of God (I remember her enthusiasm in the Holy Ghost during many of our church services) is something of a comfort. I'll be praying for all of you, too, and that the Lord will continue in comfort for you. Again, though, so very sorry for your loss.
