Beth, Scott and Holly,I was deeply saddened to hear of Paul's passing. He was a great guy, and I enjoyed many years of his friendship! I'll never forget our Friday golf outings while we were at Larsan together, and especially will remember his great form as he posed for the Advocate photographer on his follow-through (even though there was never a photographer anywhere near us).Paul will live on forever in our hearts and memories, and will always be a special friend.Doug
