Doug and Danny, I sure was shocked to read of your dads passing this morning in the paper. He will be missed by everyone in town and out of town, too. When my dad managed the A&P grocery store and your mom worked for him I remember as a kid your dad at all the store parties. He was a fun guy, and he really enjoyed it when Dresden J Hawks were winning in basketball. Great memories of your dad. You both plus all your family have my deepest sympathies.
