Dear Betty, Alice, Bob and families Your parents, Doris and Dale came into our lives in 1950 When my sister, Nancy and I moved to Newark from Michigan with our parents, Jerry and Irene Verway. Dale worked with our Dad and soon included all of us in many invitations to their home. They were the most welcoming family I have ever meant. Doris has stayed in our lives all of these years and we will miss hearing about all of the interesting things she is doing. Our thoughts and prayers go out to all of you.

Betty, Alice, Bob and families. Was sorry to hear of Doris passing. She was not only a great neighbor, but a caring friend. We shared many things since we moved here 35 years ago. Swapped puzzles. Couldn't wait to show each other what craft we had completed. She was in the process of teaching me about antique dishes. I would buy some at auctions and take them to her to see if they were good ones. Each day there will be something that will remind me of her. She was such a great person and friend to me. I will surely miss her. Blessings to each of you, her family.

My condolences to the entire extended Barrick family. Mrs. Barrick was a principled and caring individual. As a second grade student at Toboso I was blessed with the most engaging, supportive and gracious teacher I have ever known. For almost 50 years, at every LV Class of '64 reunion, the Toboso contingent unflinching, and without forethought, turn to praising Mrs. Barrick and the positive effect she had on each of us. While I am sad at her passing I am also blessed to have had her as a part of my life.

I am so sorry to hear about Mrs. Barrick. She was an inspiration to any one who met her. Her personality was infectious. Toboso Elementary lost a great teacher and person. I personally feel we had the best teachers in the school district. We all lost two great ones this year Doris and Ardrey Hardy they were always supportive, and firm but fair. The community was a better place with her here but now she is in a better place, no doubt. May God help all of you with your grief and give you peace.
