We are so very sorry for the loss of our "Miss Annette"! She helped us with housework for years-- all the while we lived in Newark from 1987 until we had to move in 1993. When we first talked to her, she was reluctant to work in a house where people were home. In the end, she became great friends with Susan's mom, Eleanor, with Jackie Dildine and with all the children who were cared for at our home. Please send me a street address and I can share some photos and more stories. EmeraldCoaching@aol.com
