Well Dad, we have been through the best of times and the worst. And now your good times will only be better. I know you are where you have waited 89 years to be and you are happy, happy, happy. And smiling up at THE LORD like a little boy in a candy store, your Bible in one hand and drum sticks in the other. I miss you and love you, dad. Thanks for the memories. Your daughter always, Linda Marshana Messina
