To David, Bob, Suzanne, sister Faith and families, Wilma was my English teacher over 50 years ago and became a life long friend. She made me part of her family and I will miss her so much. She was proud of her family and loved the Lord and worked for the Lord more than anyone I know. What a teacher! God be with you all. Love and prayers, Sheryl

David, Bob and Suzanne and Families, Your Mother was an excellent teacher, a great neighbor and a brave and fun person who, along with her husband, braved taking the TVHS students to Europe. You are in our thoughts as you go through this difficult time. John and Peggy Kelbley

Yet, we have lost another great Tri-Valley teacher in such a short period of time. Wilma Porter was one of those teachers who challenged you to do that which you did not believe you were capable of doing. She did a great job with American literature and was able to bring it to life for her students. I will carry fond memories of time spent in her class. Klayton Hooper, Ottoville, Ohio
