I am remembering Andrew Prince tonight. He was the first born and only son. He was treasured by his family. He was a proud soldier! So thankful we are, that Andrew will live on through his baby son, Peyton. We'll see the smile and hear his laughter when we look at his son. Andrew was a very special young man who touched so many lives. The messages are so touching to read. For a brief time, I taught him piano. He left a footprint on my heart and in my life! I enjoyed him so much. His family and friends will miss him terribly. I love thinking of him, free of pain, in Heaven. I know there is much heartache and grief for those Andrew leaves behind....but this life is not the end. We will see those who go before us, when we trust in the Son. Rick, Kim, Amanda, Alyssa, Daune, Paul, and all the familywe will not forget. There will be prayers for you for a long time to come.

Andrew Prince will forever hold a place in my heart. When we were in high school, he truly helped me laugh when I thought it wasn't possible. He had a unique sense of humor that I've yet to find in anyone else. Unfortunately, I haven't spoken to him since shortly after he began dating Jackie, and I am very regretful for that. To the Prince family, Jackie & Peyton, and friends: My sincere condolences. I know through Andrew that you are all amazing people, and you will see him again someday. I cannot truly imagine how hard this has been. Please know there is an immense amount of love & prayers for you all. RIP Andrew Scott Prince.
