He could be smooth and soft as his nameBut the strong love in his voice might conquer that claim.As he touched your heart as well as your handHe seemed to have a bold quiet stand.It was heard like a message through his musical voice and majestic guitar. His remarkable thoughts were even heard from God afar!On that fateful night the moon turned red as the angelscame to claim his beautiful important soul.God wanted a voice that sang strong and trueSo if you hear the thunder rumble a wonderful beatYou know he's found his seat in heaven saving one for you!With great sorrow, Michael Dunn's family
