"Tank" was a beautiful person, with a smile and laugh that were contagious. He would make everyone that he encountered smile with his quick wit. Many of us lost a friend, but today, the world lost one of its greatest people. I mourn "Tank" because I am selfish, because I miss this wonderful man who was a friend to me, while I should be celebrating his life for all he gave to me and so many others. I will dry my eyes, bite my lip a little more and Thank God for allowing my path to cross his in this short trip in His earth, because he had made everyone better people just by being who he was.
