We both have many, many good memories of John and 36 acres. He was always kind, considerate, lots of fun and a true gentleman. He would pitch in and help, no matter what was needed - and he worked hard. We will forever miss him and send you sympathy for your loss. John lived by his own rules and everyone that met him could not help but love him. We did.

My condolences to the family. John was in my class in school. I remember him as being quiet but up for mischief if Charles, Kenny, Tim , Donny or any the others initiated it! I'm sure he will be remembered fondly by others as well.
