My prayers go out to Donovan & Lakein and the rest of the family. There is nothing like losing someone so close to you at such a young age. We are all prepared for the older ones but God does not prepare us for the younger ones. You all are in my thoughts and prayers as God takes Mike to be in heaven with him. We all know that Mike is pain free. Mike holds a special place in a lot of people's hearts. God Bless and take one day at a time. Time will heal your broken hearts. Mike may be gone from earth but will be in your hearts forever.
