May you find your relief and comfort in the days to come. You can always lean on God and therefore know you are not alone. He will one day remove sorrow and end death forever. This will also be a time when loved ones will awaken from death to reunite to enjoy a happy life with family and friends once again. This hope from God's Word helps me to go on day to day. May this also comfort you.

I know that we have been far apart but you have always been apart of my life. Your granddaughters carry the name you wanted for me one has Marie the other Ann which was your middle name. They carry your memory for me. They are the best parts of you. You are my mother and I will carry love for you forever!
