Ginger, Jim. I am sorry for the loss of your mother. she always had a smile no matter what and that got her through a lot of tough times. When I meet your mother we were just kids. We made it through school, with the bullies and we ended up a better person because of them. Your mother was a very special person and if you were a good friend you knew of her special strength and this she would want you kids to carry on for her right now. She will be greatly missed but take comfort knowing that she's with her brothers and parents and elmer. They are doing what we all remember well that's one big helluva card game going on and tubby (cayrol) is yelling for her to sit still and play cards. An old sunday tradition. I'll miss her bubbly sense of humor. Not anyone could pull it off but she could get right into your heart and she has always been ther in mine. You kids take care and remember she's not in no pain anymore and she is running free. love to you all Debbie (Blain, Dixon) Gatten.

Ginger, Diana, Mary Lou and Donnie, Words cannot express how sorry I am that Mary has left us to go to heaven. I feel like my heart was ripped out of my chest and put back broken. I loved Mary with all that I am and looked forward to seeing her everyday. I truly do believe that I was sent to her that day back in July so that she can make me a better person. I feel lost and confused without her and I know that is how you are all feeling right now too. Some way some how you will find the light at the end of the tunnel and know that she is in a better place with no pain. She is smiling down on all of you wishing she could be here to tell you again that she loves each and every one of you. She will forever be in my heart and yours. Please know that I am here for you if you need anything...Marie I love you and you will never be forgotten. In my heart forever! Margie Goodin
