I am so sorry for the loss of my childhood friend. We started first grade together and graduated from high school together. I was glad that I visited with Geneva a few weeks ago and stood in the presence of her continued good nature and smile. Even when she was struggling we were able to share a smile and happy memories. I wish peace and blessings to her family--you were her blessing on this earth. I'll see you on the other side, friend. Kathleen Dorsey Nethers
