Bless his heart, I am sad to see his passing. All the years I worked at the Marsh home, I was close to all the residents, as we all were that worked there. I have often thought back and reminisce with fond memories of Steve, and one of the funniest things he ever did for example; one payday Friday evening Steve decided to hide my purse and hung it outside on the mailbox with my just cashed paycheck in it! He was so pleased with himself and when I discovered it he laughed and laughed. Steve was quite a the prankster. I would chuckle about that for years. I had not seen Steve for sometime, but he was always part of my heart and I thought of him like part of my own family. My condolences to Don, Marie, Candy, Tammy and the entire family.
