My thoughts and prayers are with her family. God Bless you all.

I worked with Teresea at Womens Health and have fond memories of much laughter and great joy with her. Teresea was/is such a special person. Always a smile and hug from her. She will be so missed. There are certain people that have such a "presence" about them that whenever they are present you are left feeling better simply for being with them. Teresea was that kind of person. Who Teresea really is has only transitioned/changed. While she is not here...she is well. In this time of sorrow, my prayers are extended to the entire family and all who love her.
