In loving memory of a wonderful uncle. We will love you and miss you always. Sending love, hugs and prayers to family and friends. I'm going to miss hearing the stories and finding out things that I never knew or had forgotten. I'm sure if there's a golf course in heaven, he's already playing a round.

Condolences and prayers to all the family and friends! I am so glad Dean and I had many hours of good conversation and laughs during my last two trips home!!!! :-) He kept me up, yes you read that right, he kept me up most nights approaching or after midnight regaling stories of the 'old' times. I will miss him. I already do. All of us will. And I can tell you his golfing buddies will miss his putting stroke!!! RIP Dean!
