## **Danny Kopp**

MAR 3, 1945 - AUG 18, 2025

**D**anny Lee Kopp, 80, of Newark passed away August 18, 2025 at Grant Medical Center in Columbus, OH. He was born March 3, 1945 in Newark, OH to the late George W. Kopp and Winifred (Arbuckle) Kopp.

Danny was proudly employed at State Farm for 26 years, retiring in 2007. Danny considered "The Farm" as his family and his co-workers readily recognized his warm friendly soul. Danny loved participating in BINGO games, singing gospel at church services, and reading his Jimmy Swaggart Bible. He was also an avid Newark Wildcats, OSU Buckeyes, Cleveland Guardians, and Cleveland Browns fan.

Danny embraced his residence at Arlington Care Center as an ambassador. He always selflessly assisted and helped other residents and, of course, won over the staff with his charm. "Dan The Man" was a very fitting nickname for such a kind, gentle, caring, compassionate, ornery and fun loving gentleman.

In addition to his parents, Danny was preceded in death by his brother, George R. Kopp; sisters, Carol J. Willey and Joyce L. Vermillion; and best friend, Chris "Bummy" Baumgartner. Special thanks to all the staff at Arlington Care Center who are recognized for their continued support and compassion shown to residents.

In Danny's honor, a memorial fund for Arlington Care Center residents "Christmas Angels" has been set up. Funds are utilized to provide items for Christmas gifts to residents. Envelopes for donations will be available at the funeral home. Friends may call 5-7pm, August 26, 2025 at Vensil & Chute | Newark Private burial will be at Newark Memorial Gardens.

Danny was one of the kindest, gentlest, silly souls I ever met. He wholeheartedly loved playing Bingo and UNO and spending time with his friends and loved ones. He loved singing his hymns, and enjoyed visits from one of his closest friends. I have enjoyed spending the last few months with him and getting to know him. He will be missed.
