Leroy & Family: So sorry to hear if the passing of Alice. Remember going to school with her at good old Frazeytsburg back many moons ago but still remember her so well. She was a very kind person. Last time I saw her was at the funeral home and had not seen her for many years but still knew who she was as she had not changed. You and your family have our deepest sympathy in this difficult time. May GOD comfort you and your family in this time of sorrow. She will be surely missed by those who knew her.
