I met Dorothy through my best friend Claire Skinner. Dorothy, Claire and I would go out to lunch together on each other's birthday. I have kept up with her a couple of times a year since Claire past. Especially around our birthdays. I am glad she and Claire are having a wonderful reunion in heaven and will be able to get together for Claire's Birthday this year. I will miss her. She was a sweet and kind person and this world is less without her.
