We were out of town and missed this notice. I worked with Leandra at the library for seven years. She was a wonderful employee and you could see her love of her job and customers (friends) by the way she interacted with them. Someone I appreciated and respected. So sorry for your loss. Sincerely,

Kevin, Leandra referred you as her "rock" to all the nurses. You represent what a brother truly should be like and what family is all about. Kevin you have lost so much but you will always cherish the memories of your big sis growing up, being neighbors, and the love you have given her these last few weeks. You never left her side and that is what love is about. She is lucky to had you as a little brother and she is resting peaceful knowing you will always be part of Aurora's life.

Leandra was my very first friend! Attending Sunday School and living on the same road, we had many adventures and loved baking with her mom, aunt Lori and her grandma. Our summer bike rides were legendary. My thoughts and prayers are with all of her family friends. May you find strength through each other and peace in fond memories with Leandra.
