Aunt Betty we always had the liveliest long fun conversations. There wasn't anything we didn't talk about. From the latest news happenings, and how when you were younger, you would have your hair done and your make up on like I be now doing now you would say. And before you know it we be in an entire full gossip session. Just having a ball!! Oh, how I'll miss you aunt Betty and our long conversations. I love you with all my heart. Your Niecey Danielle
