Frank was a wonderful person. Dedicated to his family and his career. But most of all, Frank was a dedicated resident of the Worthington community. He gave great service to the community, serving on the Worthington City School Board. He was a terrific board member, helping to guide Worthington Schools through a critical time of growth and transition. Frank knew how to be an effective board member, always keeping the district on a clear path during challenging years. His contributions were without fanfare or self indulgence. Frank was always putting the students and community in the forefront of his community service.

With a heavy heart, I send my deepest sympathy to Dustin, Nathan, Ashley, their families, and Frank's siblings. I was honored to be in his wedding to my best friend since second grade, and I have many happy memories of our young lives as couples. Frank always asked me to stop when I passed through Charlotte. Sadly, I never did. Peace be with all of you. Love.
