I Worked with Janet at target in Heath for four years. We became pretty close and we shared a lot of family events and celebrations. I enjoyed Janet conversations very much. She was a very knowledgeable person and had a heart of gold She was a lot of strength to me when my first grandchild was born with cystic fibrosis. In the last few years, I saw Janet at Saint Edward the confessor church for mass we always talked and she always asked how my granddaughter was. She just was a wonderful person. May she rest in in peace love you, Janet.
