So sorry to hear about Liz's passing. She was always a very kind soul to all she met. As a teen she gave me good advice that I did not take and I've often looked back and wondered "what if." Thanks to Liz and Rudy both on the years when we were working and they would get our boys off to school. I can still hear Rudy and Liz telling us to be careful and watch out for deer whenever we were embarking on a trip as simple as heading in to Zanesville anytime we would be driving after dark. Liz would donate sloppy joes to the frazeysburg Presbyterian Church for their fundraiser and I'd go down and purchase a sloppy Joe sandwich and a couple quart jars of joes to take home. For the family that knows Clyde I have many good memories of Rudy and Liz in the garage while I was helping with the tear down. I'm sad that over the years we didn't have the time to put him back together so we could go cut more firewood together. You'll both be missed as long as my memories prevail! Condolences to everyone in the family.
