Richard & Rose both served as subs for me as rural mail carriers. They were the best & most reliable, dependable subs I ever had. They "covered" for me on very short notice many times! Always wanted to go square dancing with them, but never made it. They have probably already gone square dancing again up Yonder! Our thoughts & prayers are with all you kids & your extended families. You kids are very Blessed to have had them for parents. Do not despair, we will all eventually be together again in a much better place, with no pain or sorrow! Our love to all.
