Enrico: Braedon, leider konnte ich mich wegen der Sprache nicht richtig mit Dir unterhalten. Aus Deiner Mimik und Gestik habe ich trotzdem eine Zuneigung gelesen. Leider hatten wir nicht viel Zeit miteinander. Ich werde mich immer an Dich erinnern. Karin: Die Entfernung hat uns nicht viel Zeit miteinander erlaubt. An die gemeinsamen Stunden werde ich mich immer erinnern und Du wirst in meinem Herzen bleiben. Superhero Braedon „Go rest high on that Mountain“ (Vince Gill)

Braedon was an amazing person. Hes one of those people you meet and can immediately feel happiness. Although My husband and I only had the pleasure of knowing Braedon our senior year of high school, it was the best part of that year. Eating lunch with Braedon everyday kept my smile alive. Dear Bernd and Jill,We send our deepest condolences. Braedon was such a treasure and I'll never forget how kind and welcoming he was to me when I first visited your house for Easter. I had no family to spend the holiday with and Braedon invited me to play Uno on the kitchen table making me feel comfortable and right at home. It always made me happy to see the pictures from vacations and adventures he went on, almost as happy as how he looked in them! You both, your family, and Braedon have been in our prayers. We love you all.
