I love you dad, your the most understanding, loyal, and wise father and friend, anyone could have had the fortune to know. Your laughter, and advice, and you out ideas about all things will forever echo in my mind, memory, and soul. I wish we had more time together in this life, but I wouldn't trade the time we did have together. I miss you forever

Sorry for the loss of a very nice guy. Glad to have known him for the last 3 years. Lived across from him at Sam Firm's house and was always grateful when we took food over to him. The after midnight conversations leaning on your pickup will be missed. Fly high my friend. JP & Dolly
