Daniel & Diane, Be assured of my thoughts & prayers in the passing of your dear mother. Needless to say, I was shocked to learn about her death. A dear friend & classmate informed me. Thinking back the last time Nancy & I talked was probably late April. I had tried to call her numerous times since then, last being a couple of weeks ago. Could never leave a message I had called. Your mother was a beautiful person; fun, loving, caring, sincere, honest and so much fun to be around. We were fortunate to meet for lunch with some other classmates several times over recent years. After all these years, still as loveable as she was back in school. She always talked about you Daniel and you Diane, and how proud she was of you, and her beautiful grandchildren. I'm going to miss our many phone visits. I pray she is at peace, & reunited with Bud, & David. If I recall Diane, you had some health issues, will add you to my prayer list. God Bless you Polly Schultheis Russo

My sincere sympathy to all of Nancy's family. She was such a kind, caring person & a dear friend from grade school to graduation, later she was in our wedding & we remained friends since then. I will miss the long phone calls & many laughs we had even when we had problems. I am sure God welcomed her with open arms.
