So sorry to hear about Evelyn. I have known her since I was about 13months old. She was a great lady with a great since of humor. I will miss her. I think her favorite niece should be mentioned, Connie Carres. She and Evelyn were very close . Bonnie lee.

I had the honor of helping Evelyn for the past year and half as an employee of Home Instead. She was full of fiery spice! We made crafts and decorated her house for every holiday continuing to do so even after she moved to Altercare. She loved game shows. She shared her stories of growing up in Granville, meeting Fred, her blessings of Dawn, and her days of being a hairdresser in downtown Newark. She loved black jelly beans, cherry pie, and loved my blueberry pancakes. I will miss her orneriness! I just know she is holding Fred's hand in heaven.

We lived across the street from "Fred and Evelyn" when I was growing up. They were always like an extra set of grandparents to me and my sisters. She always had powdered donuts and mint iced tea for us! What a beautiful and strong woman Evelyn was.
