I want to thank momma Betty for giving me life in 1961. She could've made many other choices but she carried me for 9 months and then reality set in and she had to care for her mother and disabled brother her plate was full. But God gave her the heart and strength to permit another husband and wife without children to adopt me. I'm so grateful to her and got to meet her over 20 years ago and the reunion was incredible! Thank you Jesus. Thank you momma Betty I am forever in your debt for the great gesture of love you bestowed upon me. I love you always, God bless you your daughter Juanita Daniel (Joseph) Hilliard ohio. ♥
