Rob has been in my life since we were both little kids. His Mom and mine were sisters so he was my cousin. Rob was always fun to be with. And oh so smart!! My folks would drive to Frazeyville from Mansfield and we would have the best cookouts, dogs running all around and a lot of laughs. Really the best memories I have. I will miss you Rob but I know your body is healed. I will see you again someday and it will be wonderful!! ❤️ Love, Linda

He lived his life in his own way. He really cared about people and the village of Frazeyburg. The Masonic Order meant a great deal to him. He was always looking at the bright side and wouldn't let life get him down. I miss him something fierce.
