Nancy was one of the most delightful persons I have ever had the pleasure of knowing. Her spontaneous and contagious laugh will be remembered always. I knew her mostly through our time at the Longaberger Homestead/ TLC Merchandising Office where everyone thought the world of her and her easy, fun loving, and helpful nature. I don't think I was ever near her when we weren't giggling and laughing about something. She will be missed and I am grateful to have known her. My deepest sympathies to her family and friends.
