What a wonderful neighbor Phyllis was. My son who is blind would always call her if he needed help when I was working. She was there to help me with my grandchildren the day my momma passed. Her boys, Gary and Jeff would help my mother with chores she was no longer able to do. She has a beautiful family that she and Bob raised to be loving caring people. Nancy has been a Godsend. Although we didn't visit one another in our later years, when she was outside, she would always wave and say hi. The last time I saw her was when Denny passed. I could see that she was failing, but our visit was so nice. We will miss you, Phyllis Wilcox. Even though Kevin's stroke has erased a lot of his memory, he remembers you with love. Rest in peace my friend.

If you knew her, you loved her! My dearest Auntie....my late mother's baby sister. More of an older sister to me and close friend. Oh how I will miss you....but so much I have learned from having you in my life! As a child until recently you always made myself and my family always welcome in your home! And oh, what a home that was! Collections throughout with " your" treasures as you walked through life. I am forever grateful for your loving nature, compassion and kind heart. Thankfully I have beautiful memories of my sweetest auntie!Forever in my heart,Gail Johnson, niece
