Barb was a bright and shining star to me in one of the darkest periods of my life. The Love of our Lord just shone through her eyes when she looked at me, when she sang and even when we would watch those heavy bowling ball weave down the lanes or chased those little white balls over the hills of Licking County. I will never forget her. Even as I type this I can see her sweet smile sparkling eyes. God be with her family and all her friends whom she loved. Heaven has gained another angel.
